# Volunteer of the Year 2019

In a small town, such as we live in, volunteers play a crucial role in keeping our community thriving with special events and organizations.

For this reason, the Swan Valley District Recreation Commission (SVDRC) recognizes the efforts of those that give their time expecting nothing in return, to one member yearly, which stands out above the rest with their selfless acts of community involvement.

The 2018 SVDRC Volunteer of the Year Award was presented to Bernice Karton.

Karton has been a very important lifetime member of the Swan River Ladies' Curling Club, and also the Swan River Community Centre (SRCC) board, which is the governing body of the Curling Club.

"As far back as I can remember, Bernice has always been a willing, enthusiastic, volunteer of the Curling club," stated the nomination ballot submitted by Gerri McDonald. "Whenever there was a bonspiel or any of the many fundraisers that the club put on she was always right in there volunteering her time and talents. She is our unsung hero of this organization and it is time that she gets the recognition that she is so deserving of."

Surprised and humbled with the honour, Karton was clearly worthy of the recognition bestowed upon her. When you love what you do and the people around you, the time put in is worthy for the cause.

"It's not so much like work anymore," said Karton. "It's just like friends getting together doing things for the club."

The Swan Valley District Recreation Commission recognizes a special member of the community that gives back and ensures the success of organizations. The 2018 recipient is Bernice Karton for her life time contributions to the Swan River Community Centre and the many events that they've hosted throughout the years.
