

All patrons who wish to swim in the deep end
must do a Swim Test

To pass the SVCUAC swim test, you must:

Swim 25 meters - or 4 widths of the pool
with the ability to put your face in the water
& take at least 1 breath without stopping,
with a recognizable front crawl.

This test applies to all swimmers who want to swim in the deep end
during public swim, school rentals, private rentals, and any other times
at discretion of the Guards.
